

My name is Bruce Bowman and I live in Glastonbury, CT. I am writing because I support the following bills.

SB 229 An Act Prohibiting the use of Styrofoam Trays in Connecticut Schools.

HB 5384 An Act Requiring the Elimination of Single-Use Styrofoam Containers.

HB 8585 An Act Requiring the Elimination of Single-Use Plastic Straws

HB7294 An Act Concerning Bottle Redemption in the State.

SB 1003 An Act Concerning the Use of Single-Use Plastic and Paper Bags. Please amend this bill to encourage BYO bags instead of increased waste.

Thank you,

Bruce
