

**I support the following legislation:**

S.B. No. 229 (COMM) AN ACT PROHIBITING THE USE OF STYROFOAM TRAYS IN CONNECTICUT SCHOOLS.

H.B. No. 5384 (COMM) AN ACT REQUIRING THE ELIMINATION OF SINGLE-USE STYROFOAM CONTAINERS.

H.B. No. 5385 (COMM) AN ACT REQUIRING THE ELIMINATION OF SINGLE-USE PLASTIC STRAWS.

H.B. No. 7294 (RAISED) AN ACT CONCERNING BOTTLE REDEMPTION IN THE STATE

I also support S.B. 1003 but ask that it be amended to also charge for paper bags in order to encourage consumers to bring their own bags instead of increasing paper waste:

S.B. No. 1003 (RAISED) AN ACT CONCERNING THE USE OF SINGLE-USE PLASTIC AND PAPER BAGS.
