Subject: Thomas J. Saadi - Commissioner of Veterans Affairs

I write to you today as a proud member of the Danbury community to rise up in support of the Governor's nomination of Thomas J. Saadi to serve as the State Commissioner of the Department of Veterans Affairs. Tom has served the Danbury community as a ten-term city Councilman representing the 4th Ward. He is a person who will give all to any endeavor or position he's entrusted. Because of his dedication to service, I believe the committee should fully back the approval of his nomination and send it to the full House for confirmation.
