26 law is required in order to give effect to the provisions of this  
27 subdivision, the principal may provide that the principal's intention is  
28 to so reference such law, whether such law is now in existence or  
29 comes into existence or is amended after the date of execution of the  
30 power of attorney; or

31 Sec. 2. Section 7-45 of the general statutes is repealed and the  
32 following is substituted in lieu thereof (*Effective October 1, 2019*):

33 Each person making any certificate of birth, marriage, civil union,  
34 death or fetal death, or any copy of such certificate for the  
35 commissioner, or any sexton's report required by law, shall cause the  
36 same to be typewritten or printed in a legible manner as to all material

42 such certificate, under such person's signature. If the certificate is in an  
43 electronic format, such certificate shall be authenticated by the  
44 electronic vital records system of the department. Any certificate not  
45 complying with the requirements of this section shall be returned by  
46 the registrar with whom it is filed to the person making the same for  
47 the proper correction.

48 Sec. 3. Subdivision (4) of subsection (e) of section 10a-109n of the  
49 general statutes is repealed and the following is substituted in lieu  
50 thereof (*Effective October 1, 2019*):

51 (4) (A) Any hearing regarding all or any part of any project,  
52 provided for by this section, shall be conducted by the particular  
53 commissioner having jurisdiction over the applicable license, permit,  
54 approval or other administrative action. Legal notice of such hearing  
55 shall be published in a newspaper having general circulation in an area  
56 which includes the municipality in which the particular part of such  
57 project is proposed to be built or is being built not more than ten nor  
58 less than five days in advance of such hearing.

59 (B) In rendering any decision in connection with any project, the  
60 commissioner shall weigh all competent material and substantial  
61 evidence presented by the applicant and the public in accordance with  
62 the applicable statute. The commissioner shall issue written findings  
63 and determinations upon which [its] the commissioner's decision is  
64 based. Such findings and determinations shall consist of evidence  
65 presented, including such matters as the commissioner deems  
66 appropriate, provided such matters, to the extent applicable to the  
67 particular permit, shall include the nature of any major adverse health  
68 and environmental impact of any project. The commissioner may  
69 reverse or modify any order or action at any time on the  
70 commissioner's own motion. The procedure for such reversal or  
71 modification shall be the same as the procedure for the original  
72 proceeding.

73 (C) Any administrative action taken by any commissioner in  
74 connection with any project may be appealed by an aggrieved party to  
75 the superior court for the judicial district of New Britain in accordance  
76 with the provisions of section 4-183, except as otherwise provided in  
77 sections 10a-109a to 10a-109y, inclusive. Such appeal shall be brought  
78 [within] not later than ten days [of] after the date of mailing to the  
79 parties to the proceeding of a notice of such order, decision or action  
80 by certified mail, return receipt requested, and the appellant shall

81 serve a copy of the appeal on each party listed in the final decision at  
82 the address shown in such decision. Failure to make such service  
83 within such ten days on parties other than the commissioner who  
84 rendered the final decision may not, in the discretion of the court,  
85 deprive the court of jurisdiction over such appeal. Within ten days  
86 after the service of such appeal, or within such further time as may be  
87 allowed by the court, the commissioner [which] who rendered such  
88 decision shall cause any portion of the record that had not been  
89 transcribed to be transcribed and shall cause either the original or a  
90 certified copy of the entire record of the proceeding appealed from to  
91 be transmitted to the reviewing court. Such record shall include the  
92 commissioner's findings of fact and conclusions of law, separately  
93 stated. If more than one commissioner has jurisdiction over the matter,  
94 such commissioners shall issue joint findings of fact and conclusions of  
95 law. Such appeal shall state the reasons upon which it is predicated  
96 and, notwithstanding any [provisions] provision of the general  
97 statutes, [to the contrary,] shall not stay the development of any  
98 project. The commissioner [which] who rendered such decision shall  
99 appear as the respondent. Such appeals to the superior court shall each  
100 be privileged matters and shall be heard as soon after the return date  
101 as practicable. A court shall render its decision not later than twenty-  
102 one days after the date that the entire record, with the transcript, is  
103 filed with the court by the commissioner who rendered the decision.

104 (D) The court shall not substitute its judgment for that of the  
105 commissioner as to the weight of the evidence presented on a question  
106 of fact. The court shall affirm the decision of the commissioner unless  
107 the court finds that substantial rights of the party appealing such  
108 decision have been materially prejudiced because the findings,  
109 inferences, conclusions or decisions of the commissioner are: (i) In  
110 violation of constitutional or statutory provisions, (ii) in excess of the  
111 statutory authority of the commissioner, (iii) made upon unlawful  
112 procedure, (iv) affected by an error of law, (v) clearly erroneous in  
113 view of the reliable, probative and substantial evidence on the whole  
114 record, or (vi) arbitrary, capricious or characterized by abuse of  
115 discretion or clearly unwarranted exercise of discretion.

116 (E) If the court finds material prejudice, it may sustain the appeal.  
117 Upon sustaining an appeal, the court may render a judgment which  
118 modifies the decision of the commissioner, orders particular action of  
119 the commissioner or orders the commissioner to take such action as  
120 may be necessary to effect a particular action and the commissioner  
121 may issue a permit consistent with such judgment. Notwithstanding  
122 the foregoing, an applicant may file an amended application and the  
123 commissioner may, pursuant to the procedures set forth in sections  
124 10a-109a to 10a-109y, inclusive, consider an amended application for  
125 an order, permit or other administrative action following court action.

126 (F) Notwithstanding the provisions of section 3-125, in consultation  
127 with the Attorney General, the university [is authorized and] may use  
128 the legal services of any private attorney, in connection with the  
129 construction, operation and maintenance of any project. The board of  
130 trustees shall determine the effective and efficient method or methods  
131 of legal services to accomplish the construction, operation and  
132 maintenance of all projects, taking into account the capacity, cost and  
133 expense of private counsel for such services and the capacity and  
134 direct and indirect cost and expense of and identified by the Attorney  
135 General for such services.

150 bid for a good or service and receiving submissions, shall consult with  
151 the legislative body of such municipality, or in the case of a  
152 municipality for which the legislative body is a town meeting or a  
153 representative town meeting, the board of selectmen, if such  
154 municipality provides or uses such good or service, and, if the  
155 equivalent level of such good or service is provided by such  
156 municipality or through a municipal contract for a lower cost than the  
157 lowest qualified bid submission received by such local board of  
158 education, such board of education shall consider a cooperative  
159 agreement with such municipality for the provision of such good or  
160 service. For purposes of this section, "good or service" includes, but is  
161 not limited to, portable classrooms, motor vehicles or materials and

260 power to return such person to the jurisdiction of the Commissioner of  
261 Correction. The transfer of any person under this section to the [the]

273 (1) Retain Original Property. [-] To retain for such time as the  
274 fiduciary shall deem advisable any property, real, personal or mixed,  
275 which the fiduciary may receive, even though the retention of such  
276 property by reason of its character, amount, proportion to the total  
277 estate or otherwise would not be appropriate for the fiduciary apart  
278 from this provision. The fiduciary shall not retain non-income-  
279 producing property in a trust intended to qualify for the marital  
280 deduction without the consent of the life beneficiary of [said] such

287 partition or otherwise dispose of any property or interest therein; to do  
288 any of such acts without an order of any court, at public or private sale  
289 or otherwise, upon such terms and conditions, including credit, and  
290 for such consideration as the fiduciary shall deem advisable; to transfer  
291 and convey the property or any interest therein, in fee simple absolute  
292 or otherwise free of all trusts. The receipts of the fiduciary for moneys  
293 or things paid or delivered shall be effective discharges therefrom to  
294 the persons paying or delivering the same and no one either dealing  
295 with the fiduciary or from whom the fiduciary shall receive any  
296 money, property or other credit shall be required to see to the  
297 application thereof or shall be under any duty to follow the proceeds  
298 or other consideration received by the fiduciary from such sale or  
299 exchange. No one dealing with the fiduciary, or with any real, personal  
300 or mixed property which is or was estate or trust property, shall be  
301 bound to ascertain or inquire as to the existence or occurrence of any  
302 event or purpose in or for which a sale is herein authorized or directed  
303 or otherwise as to the purpose or regularity of any acts of the fiduciary  
304 purporting to be done in pursuance of any other provisions or powers  
305 herein incorporated or granted.

306 (3) Invest and Reinvest. [-] To invest and reinvest, as the fiduciary  
307 shall deem advisable, in stocks of any class, bonds, debentures, notes,  
308 mortgages or other securities as well as in investment trusts, mutual  
309 funds and common trust funds, to open accounts in any type of  
310 commercial or savings bank, savings and loan association, credit union  
311 or similar organization or company, whether within or without the  
312 state of Connecticut and to acquire by lease or purchase any interest in  
313 real property or real estate investment trusts whether such investment  
314 is in or outside the state of Connecticut or the United States and even  
315 though such investment shall not be of the character approved by  
316 applicable law but for this provision. Notwithstanding any other  
317 provisions to the contrary, neither a trustee of an irrevocable trust,  
318 intended to qualify for the federal gift tax exclusion as a gift of a

319 present interest under Section 2503(b) or 2503(c) of the [Federal]  
320 Internal Revenue Code of 1986, or any subsequent corresponding  
321 internal revenue code of the United States, as amended from time to  
322 time, [amended,] nor the trustee of a trust providing for payment of all  
323 income therefrom to the life beneficiary, including a QTIP trust, may  
324 under any circumstances invest or reinvest in unproductive,  
325 underproductive or non-income-producing property, or acquire any  
326 life insurance, endowments or annuities unless explicitly so authorized  
327 in the trust instrument.

328 (4) Invest Without Diversification. [-] To make investments which  
329 cause a greater proportion of the total property held by the fiduciary to  
330 be invested in investments of one kind than would be considered  
331 appropriate for the fiduciary apart from this provision.

332 (5) Exercise Stock Options. [-] To exercise any stock options owned  
333 by the testator or settlor at [his] the testator's or settlor's death or  
334 acquired by or held in any trust, to borrow money and pledge any  
335 assets, including stock acquired by the exercise thereof, to obtain funds  
336 for the exercise thereof, to retain any stock purchased by the exercise of  
337 such options for such time as the fiduciary deems advisable, and to  
338 exercise all other powers in respect of such stock as though such stock  
339 formed a part of the estate at the time of death or a part of any trust.

340 (6) Pay Taxes and Expenses. [-] To pay taxes; to pay calls,  
341 assessments and any other sums chargeable or accruing against or on  
342 account of shares of stock, debentures or other corporate securities in  
343 the hands of a fiduciary, whenever such payment may be legally  
344 enforceable against the fiduciary or any property of the estate or trust,  
345 or if the fiduciary deems payment expedient and for the best interests  
346 of the estate or trust; to pay for repairs and other expenses incurred in  
347 the management, collection, care, administration and protection of the  
348 trust or estate including fiduciary compensation and attorneys' fees.

349 (7) Receive Property. [-] To receive any property, real or personal,  
350 from any source and administer such property as a portion of any  
351 appropriate trust or estate under the management of the fiduciary. The

352 fiduciary, in its sole discretion, and at the expense of the trust or estate,  
353 may inspect, investigate, cause to be inspected or cause to be  
354 investigated, property that the fiduciary has been asked to hold or that  
355 would in any way be an addition to the estate or trust, or property  
356 owned or operated by an entity in which the fiduciary has been asked  
357 to hold an interest, for the purpose of determining the potential  
358 application of any federal, state, local or foreign environmental law,  
359 rule or regulation to such property. The taking of any action under this  
360 subdivision is not evidence that the fiduciary has accepted any  
361 addition to the estate or trust.

362 (8) Borrow Money. [-] To borrow money and to assume  
363 indebtedness for such periods of time and upon such terms and  
364 conditions as to rates, maturities, renewals, and security as the  
365 fiduciary shall deem advisable, including the powers of a corporate  
366 fiduciary to borrow from its own banking department, for the purpose  
367 of paying debts, taxes, administration expenses, or other charges  
368 against the estate or any trust, or any part thereof, and to mortgage,  
369 pledge or otherwise encumber such portion of the estate or any trust as  
370 may be required to secure such loan or loans, and to renew existing  
371 loans either as maker or endorser.

372 (9) Vote Shares. [-] To vote shares of stock owned by the estate or  
373 owned by any trust at stockholders' meetings in person or by special,  
374 limited, or general proxy, with or without power of substitution.

375 (10) Register in Name of Nominee. [-] To hold any investment in the  
376 name of a nominee or in any form in which title will pass by delivery,  
377 but the fiduciary shall be liable for any act of the nominee in  
378 connection with the investment so held. Any corporation or its transfer  
379 agent may presume conclusively that the nominee is the actual owner  
380 of securities submitted for transfer.

381 (11) Use of Private Nominees. [-] To form a general or limited  
382 partnership or partnerships under any name or names of the  
383 fiduciary's selection for the purpose of taking and holding title to all or  
384 any of the assets comprising the estate or trust property and for

385 becoming the named beneficiary of any or all of the insurance policies

701 to 45a-236, inclusive, and (ii) the fiduciary elects to treat such expenses  
702 in whole or in part as income tax deductions with the result that  
703 federal estate taxes paid from and chargeable to such principal are

743 benefit of any income averaging provisions available for distributions  
744 from pension and profit-sharing plans; to elect a different mode of  
745 distribution with respect to each applicable pension and profit-sharing  
746 plan. The term, "pension and profit-sharing plan", includes any  
747 pension, profit-sharing, thrift, stock purchase, or bonus plan as well as  
748 any so called "Keogh" plans and individual retirement accounts. A  
749 decedent's spouse, if acting as a fiduciary, shall take no part in the  
750 exercise of any election under any pension or profit-sharing plan. (H)  
751 In making any of the elections authorized in subparagraph (D), (E), (F)  
752 or (G) of this subdivision, the fiduciary is authorized to take all action
