Explanation

The bill, which adjusts the membership of the Workforce Training Authority and eligible uses of funds within the Workforce Training Authority Fund, implements the budget. PA 19-117, the FY 20 and FY 21 Biennial Budget, includes funding of \$500,000 in each year of the biennium for this purpose.

The bill also requires the Department of Labor to conduct a study of programs offered to individuals seeking employment within the state which does not result in any fiscal impact as the agency has the expertise necessary to do so.

House "A" eliminates the original bill and its associated fiscal impact and results in the impact described above.

The Out Years

None.
