Municipal Impact: None

Explanation

The bill results in a potential cost to the General Fund of up $2 million associated with guaranteeing loans made by eligible financial institutions to qualified borrowers that have received assistance from the captive insurance company established under 38a-91vv of the general statutes. The bill requires the State Comptroller to pay out claims from the resources of the General Fund to honor loan guarantees up to an aggregate of $2 million.

House “A” strikes the underlying bill and its associated fiscal impact and results in the impact described above.

The Out Years

The bill may result future year costs to pay out claims until the $2 million cap is reached.
