## ***OFA Fiscal Note***

***State Impact:*** None

***Municipal Impact:*** None

## ***Explanation***

There is no fiscal impact resulting from the bill, which requires the Department of Emergency Services and Public Protection (DESPP), in consultation with the Department of Education (SDE), to update and simplify standards for school security plans and applications that local boards of education must submit to DESPP.

The bill also requires DESPP create criteria for school security consultants operating in the state and submit a report to the General Assembly by January 1, 2020. It is expected that both DESPP and SDE can accomplish the provisions of the bill within existing resources and staffing.
