AN ACT CONCERNING THE MARKET FOR RECYCLED
COMMODITIES IN THE STATE AND NORTHEAST REGION.

OFA Fiscal Note

State Impact: None

Municipal Impact: None

Explanation

The bill requires the Department of Energy and Environmental Protection (DEEP), with the Department of Economic and Community Development and the Connecticut Conference of Municipalities and the Council of Small Towns, to review and assess the market for recycled commodities in the state and northeast region. It requires DEEP to report to the Environment Committee no later than January 1, 2020 on recommendations for: (1) increasing the value of recyclables, (2) decreasing the cost of recycling for municipalities, and (3) amending the state’s designated recyclable items or system for recycling such items.

As DEEP has expertise in recycling and solid waste management, no fiscal impact is anticipated.
