Explanation

The resolution proposes an amendment to the State Constitution to:
1) eliminate the requirement that electors gather on the day of an
election to vote for state officers and state legislators, 2) allow the
General Assembly to provide by law for in-person early voting before
any state or municipal election, and 3) eliminate the requirement that
the second list of results for state officers and state legislators, which
must be delivered to the Secretary of the State, be delivered under seal.

The Secretary of the State is anticipated to incur a cost of $5,000 in
FY 21 (for the November 2020 election) for providing posters with the
proposed constitutional amendment question and explanation to each
polling place in every municipality.

This cost will cover the printing and mailing of the posters. Since all
materials required for placing a constitutional amendment on the
ballot are supplied by the State, and the vote will occur on the same
day as a regularly scheduled statewide election, no costs will be incurred by municipalities.

House “A” strikes the original resolution and its associated fiscal impact, thus becoming the resolution with the above referenced fiscal impact.

**The Out Years**

The cost identified above is one-time. However, the FY 21 cost may be shifted into FY 23 pursuant to the requirements of the constitutional amendment process.
