As Amended by Senate "A" (LCO 10174)

Senate Calendar No.: 269

OFA Fiscal Note

State Impact: See Below

Municipal Impact: See Below

Explanation

Section 1 of the amendment allows the Department of Motor Vehicles (DMV) to send a notice instead of a registration renewal to individuals who are not compliant with registration regulations that also includes municipal ordinances. To the extent more individuals will pay their municipal taxes in order to register their vehicles, there may be a revenue gain to various municipalities.

Section 12 of the amendment increase the fine for illegal use of parking reserved for people with disabilities and results in revenue gain of up to $15,000 each fiscal year from fines. The amendment increases first violations from $150 to $250 and subsequent violations from $250 to $500. In FY 18 there were 68 violations of this provision, resulting in fine revenue of approximately $68,000.

The other sections in the amendment either codify current practice or have no fiscal impact to the state or municipalities.
Senate “A” struck the underlying bill and its associated fiscal impact.
