SB-1100

AN ACT CONCERNING "UPSKIRTING".

---

## **OFA Fiscal Note**

### **State Impact:**

Agency Affected	Fund-Effect	FY 20 \$	FY 21 \$
Correction, Dept.; Judicial Dept. (Probation)	GF - Potential Cost	See Below	See Below
Resources of the General Fund	GF - Potential Revenue Gain	See Below	See Below

Note: GF=General Fund

**Municipal Impact:** None

### **Explanation**

The bill expands the crime of voyeurism to include a reasonable expectation of privacy and results in a potential cost for incarceration or probation supervision and a potential revenue gain from fines. On average, the marginal cost to the state for incarcerating an offender for the year is \$1,800<sup>1</sup> while the average marginal cost for supervision in the community is less than \$700<sup>2</sup> each year.

### **The Out Years**

The annualized ongoing fiscal impact identified above would continue into the future subject to the number of violations.

---

<sup>1</sup> Inmate marginal cost is based on increased consumables (e.g. food, clothing, water, sewage, living supplies, etc.) This does not include a change in staffing costs or utility expenses because these would only be realized if a unit or facility opened.

<sup>2</sup> Probation marginal cost is based on services provided by private providers and only includes costs that increase with each additional participant. This does not include a cost for additional supervision by a probation officer unless a new offense is anticipated to result in enough additional offenders to require additional probation officers.
