

To Members of the Committee

My name is JoAnne Bauer of Hartford. As a longtime resident of CT and a member of ACLU's *People Power* in West Hartford, I strongly have supported Early Voting in CT and urge you to support House Joint Resolution No. 161.

It is time that CT get in line with 38 other states to provide additional ways/ timeframe for citizens to vote. Thank you!

Sincerely,

JoAnne Bauer, Ph.D.
