

GAE Committee

Please Oppose SB 1046 and SJ 27, and SJ 28, and HB 6059 and HJ 161!

Voting is an important part of our political system and it needs to be protected, honest and fair. These bills make it easier to cheat. Every single one of us should be concerned about the integrity of our elections.

also:

Please Support SB 641 and HB 7321

What happened in Stamford, with the Town Chair John Mallozzi, involved in Absentee Ballot Voter Fraud must be prevented and must never happen again.

Transparency and Integrity are of the utmost importance in our elections!

Thank you,

Chas Catania
