

I wish to voice my opinion, for the record, on these upcoming bills.

S.J. No. 28 (COMM) RESOLUTION ALLOWING INDIVIDUALS WHO HAVE ATTAINED THE AGE OF SIXTEEN TO APPLY FOR ADMISSION AS ELECTORS AND TO BE SO ADMITTED UPON ATTAINING THE AGE OF EIGHTEEN. (GAE):

I believe this is an unnecessary bill. Leave kids alone. We have a sufficient way to register to vote, at the current appropriate age. Let kids focus on being kids.

H.J. No. 161 (COMM) RESOLUTION PROPOSING AN AMENDMENT TO THE STATE CONSTITUTION TO ALLOW FOR EARLY VOTING AND NO-EXCUSE ABSENTEE VOTING. (GAE)

Again, this is an unnecessary bill. Obtaining an Absentee Ballot is an extremely easy process, but it is a process. Early voting brings in significant opportunity for extended voting fraud to occur. In addition, early voting potential limits a citizen from changing the choice at the last minute. Our current process is more than sufficient. Please don't change it.
