**Subject:** HB#5713, HB#5712, and SB#54

To whom it may concern,

I am very against the following three proposed bills:  
HB#5713, HB#5712, and SB#54

I am both a tenant and a landlord, and everything about these bills make me feel unsafe. There are other ways to help criminals find housing than having to sacrifice the safety of the general public. Please do not pass these bills. Thank you.

Sincerely,  
Jaclyn
