**Connecticut Association of Health Plans**

**Testimony in Opposition to**

**H.B. 6088 AN ACT CONCERNING DISCLOSURE OF CERTAIN THIRD-PARTY ADMINISTRATOR FEES.**

The Connecticut Association of Health Plans urges opposition to H.B. 6088 which requires fee schedule disclosures attempting to mirror policy relative to medical services. The Association supports responsible transparency legislation, however, disclosure of fees must be done with serious caution lest we create a race among providers to the top rate at the expense of consumers who must pay the increased premium. We urge your rejection of H.B. 6088.
