Legislative Testimony
Insurance and Real Estate Committee
Proposed HB 6088 – An Act Concerning Disclosure of Certain Third-Party
Administrator Fees
Thursday, February 14, 2019

Dear Senator Lesser, Representative Scanlon, and Members of the Insurance and Real Estate Committee,

My name is Dr. John Mooney. I have been practicing dentistry in Connecticut for 29 years. I have served the CSDA in a variety of capacities since 1998 and currently serve as the Chair of the Access Committee. I am writing in support of HB 6088 – An Act Concerning Disclosure of Certain Third-Party Administrator Fees.

This bill is an important step in establishing transparency between providers and Insurance Companies. It addresses the current statues to add the national standard coding for dental procedures; allowing for consistent benefit application across medical and dental professions.

The bill also mandates a 90 day notice by Insurance companies of any significant contract changes, including any alterations in fee schedules.

For the reasons stated above, I urge you to adopt HB 6088.

Respectfully Submitted,
John J Mooney, DMD
