Haven’t we lost enough children to gun violence? Keeping guns locked at all times shouldn’t be a matter of law. It should be a matter of being a responsible adult! Come on people let’s do the right thing. Our children are our future. We must protect them in every way possible. My daughter was shot and killed May 7, 2016. My life will never be the same. If you can’t be responsible then you shouldn’t have a firearm.
