
Senator Winfield, Representative Stafstrom, ranking members Kissel and Rebimbas and distinguished members of the Joint Committee on the Judiciary:

My name is Ross Tartell I am from Wilton, CT]. I am submitting testimony as a private citizen.

Each of these laws are common-sense approaches to helping our society minimize the likelihood of gun accidents and help prevent the availability of guns to people who may not be appropriate gun owners.

There are far too many gun accidents - Ethan Song’s accidental death being one of the more egregious local examples. With proper gun storage he is alive today.

Each of these bills creates a safer society without unnecessary constraints on gun ownership.

I strongly support H.B. 7218, H.B. 7219 and S.B. 60 and urge you to favorably vote these bills out of the Judiciary Committee.

Sincerely,

Ross Tartell
