Subject: Bill #HB7219

My name is Kathleen E. Ahlberg, I am a resident of Stratford, CT and I am a 67 year old grandmother. I am in favor of Bill #HB7219. We are held responsible if someone is injured if hit by our car, hurt in our home, even bitten by our dog! Please support this bill and send a clear message that weapons need to be properly stored away from minors (who as far as this grandmother is concerned shouldn't even know a gun is in the house!). Thank you.
