

**Testimony in SUPPORT of S.B. 60, H.B. 7218, H.B. 7219, H.B. 7223**

Dear Senator Winfield, Representative Stafstrom, and honored members of the Judiciary Committee.

My name is Robert Andrews. I live in Moodus, CT. I have two children, five grandchildren and many other young people in the extended family. For the sake of those young people in my family and all other young people in this state, I ask your favorable vote on the bills for safe storage, ghost guns, and presentation of a carry permit. You know the statistics and have heard the arguments but I beg you to consider the consequences of not acting on them.

*I promise to do all I can to protect children from gun violence by encouraging and supporting solutions to create safer, healthier homes, schools and communities.* Those are the 26 words of the Sandy Hook Promise. You probably know why there are 26. Please say the words and then ask yourself the question. "Have I done all that I can?"

Please, I ask for your votes for a favorable report on these bills.

Respectfully,  
Robert T. Andrews
