Dear Judiciary Committee Members,

I am a responsible gun owner. I have a Connecticut Concealed Handgun Permit which means that I've received training, been fingerprinted, and have had a complete background check. I'm one of the good and law abiding folks out here.

There have been a number of gun bills introduced in Connecticut, S.B 60, H.B. 7218, H.B.7219, H.B. 7223, H.B. 5700, S.B. 940, H.B. 5227 and H.B. 5870

I strongly oppose all of these bills. I view these bills as punitive with regards to legal firearm permit holders.

Please do not bend to singularly focused individuals/groups that want to eliminate our rights under a free and equal constitution.
