Dear Judiciary Committee,

My name is Mark Ciosek, I am a resident of New Britain, CT. I am writing to you to OPPOSE H.B. 7219, An act concerning ghost guns. No criminal will make a firearm that they can easily purchase on the street. This law does nothing in the way of prevention. It's only another after the fact tool for prosecution, redundant to any charge related to a primary crime. This statute is just another feel good bill that would hinder hobbyist and firearm owners who enjoy to build replica firearms which they already are authorized to possess firearms.

Thank you for OPPOSING H.B. 7219
