

Testimony in support of HB-7218, HB-7223, HB-7219 and SB-60.

My name is Hannah D'Avino. My sister Rachel was murdered on 12/14/12 during the Sandy Hook massacre. In her final moments she chose to use her body as a shield to protect those in her charge. Sadly, only one child walked away alive- she was behind my sister. I am testifying on behalf of Ethan's law and HB no 7219. It took the death of my sister to learn how irresponsible gun owners can be. These bills will ensure a level of responsibility that will save lives.
