RE: H.B. No. 7219, AN ACT CONCERNING GHOST GUNS Position - Oppose

I oppose this bill. I believe that this bill is an overextension of states' rights to register gun parts which are incomplete or potentially never used in the assembly of a new firearm. This may also prohibit repair or assembly of older firearms in one's legal possession. This is an unnecessary overstretch of states power which will do nothing to stop criminal use of firearms,

So in summary I oppose H.B. No. 7219, AN ACT CONCERNING GHOST GUNS as I believe that this is an unnecessary overstretch of states power which will do nothing to stop criminal use of firearms.

Thank you for your time to consider my position on this bill. Please let me know if I can answer any questions.

Best Regards

John
