Hon. Co-Chairs and Members of the Judiciary Committee,

I am a State Licensed full time Nuisance Wildlife Control Operator, I own and operate Wildlife Control Services, LLC in West Hartford, CT. I am a pistol permit holder for the past 42 years, hunter and recreational shooter. I have used firearms in the performance of my work throughout my 32-year career in wildlife control.

I urge your opposition to:

SB 60

HB 7218

HB 7219

HB 7223

These proposed bills would do nothing to enhance firearm safety and would infringe on the ability of law-abiding citizens to exercise their fundamental right of self-defense in many situations. It would also place an added undue burden on persons conducting Intra-State commerce who carry firearms related to their work.

Thank you for your consideration,

Respectfully,

Richard Daniotti
