My name is Heather Dean and I live at 919 Stillson Rd, Fairfield Connecticut 06824. I am currently serving my 7th and final term on our town's RTM.

I'm a mother, grandmother, former PTA President and currently a small business owner for the past 16 years. I've cared for more than 185 infants and toddlers in my capacity of a ECE Director. Unfortunately, I've been here since 9:15 this morning and I will have to leave at 4 p.m. before being able to testify. I'm still came because I feel very strongly that these laws are good and right to protect the public from careless gun owners, and empower law enforcement to help keep the public safe.

I have NOT been impacted personally by gun violence. I do not own firearms. I did not allow my children to play in homes of friends whose parents owned firearms. Yes, I asked the parents before my child would be able to visit. I believe the parents to be truthful. I may never know.

What I've learned today: Changing "may" to "shall" to enforce passed mandated education is good; passing these laws AND education in schools is even better.

Please vote in support of these bills.

Thank you,

Heather Dean
