Subject: Bill #HB7219

My name is Karin Doyle and I live in Stratford. I support Bill #HB7219 because I had to sit through an unannounced lock-down drill with my twin 2 year-old boys during a parent/ toddler session at an elementary school. We were not informed that this was a drill until the lock-down ended; even the teachers and staff were frightened. The entire lock-down lasted about 20mins. The experience was horrifying and the idea of my children doing this on a routine basis sickens me. Gun owners need to safely store their firearms. Period.
