Subject: HB7218,7219,7223 and SB60

Testimony re HB7218, HB7219, HB7223, SB60.

I live in Guilford. I did not know Ethan Song, but his death by gun has impacted everyone in this town. And it was not a planned killing but an “accident!”

I hope Connecticut will be a national leader, set the standard, for gun safety and control.
