Dear Lawmakers,

I am writing in strong support of HB7218 and HB722. Please pass these laws so that gun owners can be held accountable if their actions are careless. I also support HB7219 and HB60. These laws would save lives and prevent unbearable grief among families. Common sense gun laws, such as these, regulating gun usage and storage, are necessary to protect our freedom and insure our ability to pursue happiness. Gun death is a public health crisis. Please act.

Sincerely,

Debra Gregory
