My name is Ellen Hammen , gun violence in America is at a critical point . We need to keep our First responders safe, we need to have laws protecting our children and ourselves. This is just plain common sense.

I strongly support:

HB 7218 for safe storage of firearms in the home

HB 7223 for safe storage of firearms in vehicles

HB 7219 the act concerning ghosts guns

SB 60 the act concerning presentation of a carry permit

All these bills are very important! I urge you to favorably vote for these bill because Connecticut s residents need them.
