Re: Public Hearing on Proposed Bills SB 60, HB 7218,
HB 7219, HB 7223

Dear Committee Members,

I am opposed to these bills, as well as other bills, proposed by our lawmakers, which impinge on my rights to own and carry firearms. These bills and the many others similar in nature (i.e., SB 92, 98, 158, 161, etc.) are nothing more than ploys to strip away our gun rights which are guaranteed under the 2nd Amendment of the Constitution of the United States of America. I urge members of the Committee not to endorse these bills and any others, which restrict upstanding Connecticut citizens the right to own and carry firearms.

Thank you,

Richard C. Neal, Jr.
