Subject: Testimony in support of HB-7218, HB-7223, HB-7219 and SB-60

Senator Winfield, Representative Stafstrom, ranking members Kissel and Rebimbas and distinguished members of the Joint Committee on the Judiciary:

My name is Sandra Olsen, I am a resident of Haddam Neck, CT. I am a grandmother and very concerned about the safety of my beautiful grandchildren.

I am testifying in support of H.B. 7218, *An Act Concerning the Safe Storage of Firearms in the Home*, H.B. 7223 *An Act Concerning the Safe Storage of Firearms in Vehicles*, H.B. 7219, *An Act Concerning Ghost Guns* and S.B. 60 *An Act Concerning the Presentation of a Carry Permit*.

I am not opposed to rational adults owning and using guns in a responsible manner. As a responsible adult I believe we all need to strive to create a safer environment for all people but especially our children.

H.B. 7218, *An Act Concerning the Safe Storage of Firearms in the Home*, H.B. 7223 *An Act Concerning the Safe Storage of Firearms in Vehicles*

There are mechanisms that can safely lock weapons much more securely than is currently required. Glass is hardly a safe deterrent to secure anything not in a home or car.

S.B. 60 *An Act Concerning the Presentation of a Carry Permit*

I am required to show several forms: license, insurance card and registration, when stopped at a routine check point. I fail to see how having to show the gun permit, that one is mandated to carry while carrying a firearm is a violation of the gun owners rights.

I strongly support H.B. 7218, H.B. 7219 and S.B. 60 and urge you to favorably vote these bills out of the Judiciary Committee.

Sincerely,

Sandra Olsen

Haddam Neck, CT
