Dear sirs,

S.B. #60: I oppose the requirement to present my carry permit if there is NO suspicion of a crime. This would violate my rights to carry a firearm unimpeded.

H.B. 7218: I oppose this bill on the grounds that an unloaded firearm in my residence is already secured from use!

H.B. 7219: I oppose this bill as pre -1969 firearms are legal preban firearms and this law should not apply!

H.B. 7223: I oppose this bill which would require all firearms left in an unattended vehicle to be stored in a locked box, when the firearm is already locked in the vehicle!

S.B. 940: I SUPPORT this bill allowing handgun carry in state parks and forests, as it is already legal to carry handguns when walking on state roads / property! I am legally allowed to carry for self protection and this would infringe on that right!!

H.B. 5227: I SUPPORT THAT towns located in the state of Connecticut shall abide by current state laws, as they are NOT separate entities from the state.

H.B. 5870: This bill I SUPPORT would allow LEGAL FIREARMS OWNERS to exercise their rights to transfer firearms to other legal firearm owners without penalty or restriction!

I have been a CCW since August 1997, and adhere to all laws pertaining to safe carry and storage of firearms.

Sincerely,

Allen Petri
