

Testimony in support of HB-7218, HB-7223, HB-7219 and SB-60

Senator Winfield, Representative Stafstrom, ranking members Kissei and Rebimbas and distinguished members of the Joint Committee on the Judiciary:

My name is Linda Ann Reich. I am from Guilford, CT.

I am testifying in support of HB-7218, An Act Concerning the Safe Storage of Firearms in the Home, HB-7223, An Act Concerning the Safe Storage of Firearms in Vehicles, HB-7219, An Act Concerning Ghost Guns and SB-60, An Act Concerning the Presentation of a Carry Permit. Safe storage of guns in homes and cars will help keep citizens safer and make gun owners more responsible for their guns. The tragic death of Ethan Song in our community was preventable. Please pass this smart and responsible legislation to make us all safer. In addition, ghost guns and 3D printed guns should be regulated to help keep citizens safer.

I strongly support HB-7218, HB-7223, HB-7219 and SB-60 and urge you to vote favorably on these bills.

Sincerely,

Linda Ann Reich
