

Dear Judiciary Committee,

I am sorry that I can't make it to the hearing tomorrow, Monday, March 11<sup>th</sup> with regard to the bills around sensible gun safety laws (SB 60, SB 940, HB 5227, HB 5870, HB 7218, HB 7219, HB 7223).

I want to express my strong support for banning ghost guns, advocate for safe storage, and legislature that helps keep our children safe.

Passage of sensible gun law reform does not infringe on second amendment rights. It is simply the duty of gov't to solve for public safety and as a nation we have clearly failed at that when 90 people a day die in our country from gun violence.

Our children have a right to go to school and feel safe. Our children have a right to go to the movies and feel safe. To a concert. To the mall. It is an outrage that have allowed basic public safety lapse.

Please cast your vote to reflect your duty as an elected official to keep our schools, communities and neighborhoods safe.

Thank you to members from both sides of the aisle for your public service. It is a very admirable and difficult job and regardless of where I am politically, I do appreciate anyone who runs to serve our country – I ask you now to please fulfill that obligation and keep us safe.

Kindly,

Shiva Sarram
