Subject: Proposed gun control bills

Dear CT State Judicial Committee Members,

I am a patriotic US and CT citizen, an outdoors-man, and legally born in Maine. I believe that our Democratically controlled legislature and Governor are pushing their version of "socialism" on CT citizens in order to more fully control and regulate their lives. I am against ANY of this. I am fully for our Constitution and Bill of Rights and the freedoms granted by them. Therefore I have this request:

1. We have plenty of "gun control" in this state. We do not need any more. Please vote "NO" on SB 60, HB 7218, HB7219, and HB 7223. We are NOT a police state - yet.

Thank you for your time.

Respectfully,
Mr. Steve Seiser
