Senator Winfield and distinguished members of the Joint Committee:

My name is Reverend Toni Smith, I live in Chester, Ct. I write in support of HB-7219. Ghost guns make no sense to me for any reason. That a person could buy various parts from different places and then assemble a weapon in the home, without registering it or having any way to identify it, is reckless. No one who needs, or even wants a gun, should be able to have a ghost gun. I also support HB-7218,HB-7223,SB 60. Thank you for your consideration.
