Subject: Testimony in support of HB-7218; HB-7223, HB-7219 and SB-60.

I am writing to you today urging you to support the following common sense gun bills: HB-7218, HB-7223, HB-7219 and SB-60. I strongly believe that these bills will help to curb accidental and intentional gun violence in our state. Let's prove that we love people more than weapons, and hold those accountable who make their legally owned weapons easy for others to access.

Thank you,
