Testimony of James F Williams In Support of HB 7399  
An Act Concerning Legal Protections for the Victims of Human Trafficking and the Protection of  
Minors from Cyber Exploitation  
Judiciary Committee  
March 31, 2019

Distinguished members of the Judicial Committee, my name is James F Williams, and I reside in  
Trumbull and work in Bridgeport. I am writing to express my support for HB 7399. **HB 7399  
makes Connecticut safer for human trafficking victims and less safe for human  
traffickers.**

Thank you for your courage to address this issue in ways that support human trafficking victims.

Sincerely,

/s/ James F Williams
