Judiciary Committee  
Public Hearing Testimony  
Submitted By Noemi Soto  
New Britain, CT

Members of the Judiciary and to the Public at Large,

Four of the Bills being discussed today are due to the fact that the people's voice has been silenced, and the integrity of our government has been marred, because of **unjust legal remedies and the bias application of Judicial Power.**

As evidence to support this claim, I submit pre-trial vs current case details on the 10 state employees being criminally prosecuted regarding the Whiting Forensic Hospital Abuse Case. The abuse in this case is **literally a crime against humanity** when "more than 40 out of 200 staff at Whiting are implicated in an abuse scandal; [with] such an absence of accountability that staff felt free to abuse a [elderly-disabled] patient knowing there is a camera in the room"

What rationale does prosecution have to extend plea bargains reducing charges from 12 counts to 2? 10 counts to 6? Another 10 counts to 1? What rationale is behind such generous leniency? Is it due to them being state employees? Is this part of CT Labor Union benefits? Is it because these criminals have access to private counsel? If so, then are plea bargains bias towards defendants who are indigent and depend on the resource of a Public Defender? – ***The Bias Application of Judicial Power.***

For all these reasons I am in support of SB 880, SB 996, SB 1008, and SB 1098. But I would ask that emphasis on generating disaggregated data also include a record of initial charges presented before an accused. I also believe that a written record of prosecutory rational needs to be a procedural mandate in order to deter the bias application of Judicial Power – And such data needs to be made available to the public.

**SB 1099** – on pg22 of Bill- starting on line item 694 a "[or] status as a veteran or criminal matters of public record" - needs to be added. All else is praise for this Bill:

This Bill was beautiful to see; it made me cry. Truly it has been a grievous injustice that those justice-involved have had to endure perpetual punishment regardless of time served for so long. It gave me hope that meaningful change is possible with government and hope for healing to bear fruit, now that perpetual punishment is beginning to lift on such an oppressed people group. Thank you for this bill being raised. Thank you. It is an act of immense relief to a severe injustice. Thank you from the bottom of my heart. Every vote on this Bill will speak volumes about the value of human dignity in this state. Thank you again to all who have worked on this! Bravo! Thank you! Amen! And Bless all the Yay votes in Jesus name! Hallelujah!
