

OPPOSITION to HB-7005: AN ACT PROHIBITING THE ACKNOWLEDGEMENT OF PARENTAL STATEMENTS CONCERNING RELIGIOUS OBJECTIONS TO VACCINATION BY SCHOOL NURSES AND PERMITTING MEMBERS OF THE CLERGY TO ACKNOWLEDGE SUCH STATEMENTS

As a Constitutionalist, I firmly believe in the rights bestowed to me, especially the right to freely practice my religion as I see fit. This bill is a direction violation of our First Amendment, and therefore unconstitutional. Please do the right thing by opposing this bill and let people make the proper medical and religious decisions for themselves and their families, WITHOUT involving unnecessary people (i.e. clergy).

A legislators job is to respect the voices of the people that they represent, to critically examine bills that are proposed and raised, to consider one issue from many angles, to question a bill when many of their constituents clearly voice that the bill is government overreach and to protect their constituents religious right to worship as they see fit, etc. Please, work within the confines of your position and uphold the Constitution.

Sincerely,
Teri C.
