

Members of the Children's Committee,

I am writing this to **OPPOSE HB 7005**. I feel the proposed change is very unnecessary. It would go against our freedom of religion, and beliefs. My parents brought me and raised me in this country for that exact reason, so I can have freedom of religion, speech, and not be forced to do anything against my wishes and beliefs. Clergy signature is unconstitutional and discriminatory because some religions don't have a clergy. This bill would discriminate against those families. It should remain as is to protect our children's medical record privacy.

Thank you for your time.

Best Regards
