

Dear Members of the Children's Committee,

I am writing to OPPOSE Bill HB 7005.

Religion is a private, personal family matter and a clergy should not be involved in their decisions.

Clergy signature is Unconstitutional and discriminatory because some religions don't have a clergy.

Our current Religious Exemption is only used for 1255 families which is a pretty low number. I don't see the need to make any changes.

The USA is a Free Country and as such we need to preserve our rights of religious liberty based on the 1st Amendment.

Based on that, i'm once again requesting that you OPPOSE this bill.

Thank you for your time,

Priscila Siano
