

Dear House members,

I am writing to oppose HB7005 an ACT PROHIBITING THE ACKNOWLEDGEMENT OF PARENTAL STATEMENTS CONCERNING RELIGIOUS OBJECTIONS TO VACCINATIONS BY SCHOOL NURSES AND PERMITTING MEMBERS OF THE CLERGY TO ACKNOWLEDGE SUCH STATEMENT.

“Freedom of religion is a principle that supports the freedom of an individual or community, in public or private, to manifest religion or belief in teaching, practice, worship, and observance. It also includes the freedom to change ones religion or beliefs”.

At this moment I feel that this right is being questioned. I was taught that coming to America would provide you with freedom and rights to escape religious procecussion. To breath and not be afraid because one of your rights might be taken away. Should I be looking for a different state to live in, where my religious beliefs/views wouldn't be questioned.

Sincerely,

Monika Tomaszewski
