Subject: WRITTEN TESTIMONY -- I strongly support SB 1 and HB 5003 for PAID FAMILY & MEDICAL LEAVE --Dr. J Bauer, 06105

Dear Committee Members:

As a longtime resident of CT and supporter of Working Families, I think that these bills will assist in creating a more just and equal playing field in CT, a cause that has been important to me for decades. In addition, I am concerned that other regional states will have a clear advantage economically without your support of these bills.

PLEASE DO SUPPORT SB 1 and HB 5003.

Sincerely,

Dr. JoAnne Bauer
