

Senate Bill #556

I am sending this email urging you to pass Senate Bill #556. I am retired from the Norwalk Ct. Police Department. My friend, Officer Phil Roselle was seriously injured in a training class in September of 2017. He was accidentally shot during a firearms training session. He and his family have suffered financial stress since the incident. All public safety employees need to be protected. Please do the right thing and pass Senate Bill #556. Respectfully, Ray Moerler.
