Dear Planning and Development Committee,

I am writing to ask your support of Senate Bill #556. I urge you to pass this important legislation. Phillip Roselle, a 30 year veteran of the NPD. He deserves to be paid correctly for his disability and retirement with dignity and respect. This bill is not only the right for all public safety employees in Ct.,but it is also the thing for Norwalk Police Officer Phillip Roselle. He has been dealing with sever Medical issues sin another officer accidentally shot him during a training session in Sept. 2017.

I urge your support and thank you for attention to this important issue.
