Testimony in Support of *Senate Bill 766*, *An Act Concerning The Expiration Of Certain Land Use Permits*

Co-Chairs Cassano, and McCarthy Vahey; Vice Chairs Baker and Bradley; Ranking Members Champagne and Zawistowski; and distinguished members of the Planning and Development Committee: Thank you for allowing me to submit testimony in support of *Senate Bill 766, An Act Concerning The Expiration Of Certain Land Use Permits*.

I believe this to be a necessary measure in better assisting our municipalities to reduce the government restrictions that can often complicate land use permits.

The reason for this proposal was to provide relief to individuals who have multiple land use permits (issued under section 8-3, 8-26c, 8-26g or 22a-42a) regarding the same piece of property. In doing so, the permits will not expire until the expiration date associated with the most recent of such permits issued to the holder.

I appreciate you taking the time to raise this proposal and urge the committee to pass this proposal.
