

Support for S.B. 972

I understand that there will be a hearing on Senate Bill 972, this Friday. This would grant ALL adoptees the right to see their birth certificates. It is inconceivable to me that our legislators believe that only some adoptees have the right to their own birth certificates. ALL adoptees have rights. If nothing else, please consider their medical history. They deserve to know.

Please vote FOR their rights... not against.

Sincerely,
Lucy Lonning
